Director Notes

Welcome to the creepy and kooky, mysterious and spooky, all together ooky world of the Addams Family! Enjoy this abnormal ride through romance, family quarrels, and a magic potion or two. I hope you are reminded that what's most important is not how odd we seem to others, but the sincerity with which we show up to ourselves and for those around us.

To my crazy J&S family, thank you for everything you do to make shows happen. Thank you so much to the parents for your continued support of J&S, either by volunteering your time or sharing your students' gifts and talents with us. To our most dedicated production team - Jeremy, Carrie, Megan, Eric, Deanna, & Tyler – *full disclosure*, I simply couldn't direct this show with you.

Enjoy the show!
